

Accessing Your Global PD Account for the First Time

- 1** Go to: <https://www.GlobalPD.Com/ForgotPassword>
- 2** Enter your email address and click the ***Send me reset instructions*** button. Global PD Support will send you instructions for setting your password via email*.
*If you have not received this email, please check that it was not blocked by your spam or junk mail filter. Follow the directions to set your password.
- 3** Once your password has been set, you will be directed to the Global PD login screen (<https://www.globalpd.com>). We recommend that you bookmark this page in your browser for future use.
- 4** Log into Global PD using your email address and the password you've created.

If you have any questions or concerns, please email our support team at GlobalPDSupport@SolutionTree.com or call **800.733.6786 x268**.
